RECOVERY FOR LIFE

On behalf of the State of Connecticut,  
I, Ned Lamont, Governor,  
take great pleasure in recognizing

as a  
*Recovery Friendly Employer*  
in the  
*State of Connecticut*

This recognition is a testament to your dedication to  
fighting the opioid crisis in Connecticut.

The impact of the opioid epidemic is difficult to overstate. Approximately  
10,000 Connecticut residents die every year from overdoses, despite  
continuing declines in prescription rates. Addiction is a disease that affects  
every community, and workplaces are no exception. Only by working  
together, with patience and support, can we stop this terrible crisis.

**LOCKHEED MARTIN**

As a recovery friendly employer, you have made a commitment to working with  
people in recovery. You have recognized that recovery from a substance use  
disorder is not a weakness, but a strength. Through ongoing efforts, you are  
encouraging a healthy and safe environment – where employers, employees,  
and communities can collaborate to create positive change and eliminate  
barriers for those impacted by addiction. Your passion, enthusiasm,  
and leadership in the face of this crisis is outstanding and laudable.

Thank you for doing your part, to make Connecticut

Therefore, I, Ned Lamont, Governor of the State  
do hereby recognize

as a  
*Recovery Friendly Employer*  
in the State of Connecticut.
